CONTENTS

KOBELCO EXCAVATOR SHOP MANUAL

The following notes apply to the North American Kobelco SK250LC-6E Minor Change Excavators Service Manual.

1. KCMA references Kobelco Construction Machinery America. KCMA machines are Manufactured in Calhoun, Georgia USA.
2. Current KCMA information is found in this First Section (Part A) of this Service Manual. This section is derived from the latest KCMA Technical Training Manual and includes current KCMA Electrical and Hydraulic Schematics.
- 3. Because of model similarities, the SK210LC-6E is used to explain how some system work.**
4. The Second Section (P/N S5LQ0012E) of this Service Manual contains Shop Manual Information for excavators that are manufactured for OCEANIA (Middle Eastern), ASIA and KCME (Kobelco Construction Machinery Europe), including information for several models; SK230(LC)-6E, SK250(LC)-6E and SK250NLC-6E.
5. Many of the machine components in the Second Section (P/N S5LQ0012E) are common with KCMA machines; therefore the Service Information is applicable.
6. Some of the Shop Manual references to Serial Numbers, Part Numbers, Bucket Information, Tool Information, Engine Specifications and Standard Maintenance Working Time Tables specified in the Second Section (P/N S5LQ0012E) may not apply to KCMA machines.
7. Use the applicable Current KCMA Parts Book for correct KCMA Part Numbers.
