

Crius V6
Ventilator Machine

Service Manual

Northern Meditec Limited

Intellectual Property Rights

Shenzhen Northern Meditec Limited (“Northern Meditec”) owns the copyright of this Manual, which is intended for internal use and shall be regarded as confidential information. This Manual is provided only as a reference document for the servicing of the vent.

This Manual and all of its intellectual property rights (including the copyright) are owned by Northern Meditec. No one is allowed to use, disclose or allow any other person to get access to this Manual by any means in whole or in part, nor shall anyone photograph, duplicate, copy this Manual or translate it into any other language in whole or in part without the prior written permission of Northern Meditec.

Northern Meditec reserves the right to the final interpretation of this Manual. This Manual, the product technologies and the product specifications are subject to change without further notice.

Statement

Northern Meditec shall provide no warranty for this Manual, including but not limited to the implied warranty of merchantability and fitness for a particular purpose.

Northern Meditec shall be held liable for the safety, reliability and performance of Crius V6 only if:

Crius V6 is installed, operated, expanded, retested, improved and repaired by a person authorized by Northern Meditec;

The related electrical equipment complies with the applicable national standard;

Crius V6 is used under the relevant operating instructions.

Northern Meditec shall not be held liable for the safety, reliability and working condition of Crius V6 if:

- Any component is disassembled, stretched or retested;
- Crius V6 is not used according to its ***User’s Manual***.

Warranty

Servicing

Free service: applicable to all of the products within the warranty of Northern Meditec.

Paid service:

- 1) Applicable to all of the products beyond the warranty of Northern Meditec;
- 2) Applicable to faulted product caused by man-made damage, grid voltage beyond the specified range or force majeure (like natural disasters) in the warranty period.

Northern Meditec shall not be held liable for any direct, indirect or final damage or delay caused by improper use, use of any accessory unapproved by Northern Meditec or any servicing conducted by any person unauthorized by Northern Meditec.
