

Shop Manual

HYDRAULIC
MINING
EXCAVATOR

PC5500-11 T2

SERIAL NUMBER 15191 and up

Unsafe use of this excavator may cause serious injury or death. Operators and maintenance personnel must read this manual before operating or maintaining this excavator.

This manual should be kept near the excavator for reference and must be periodically reviewed by all personnel who will come into contact with it.

The original Shop Manual is written in English language. If any translation of the Shop Manual is used, the legal basis for liability and correctness of the contents always remains in the English source document.
