

Shop Manual

HYDRAULIC
MINING
SHOVEL

PC5500E-6

SERIAL NUMBER 15084 - up

Unsafe use of this machine may cause serious injury or death. Operators and maintenance personnel must read this manual before operating or maintaining this machine.

This manual should be kept near the machine for reference and must be periodically reviewed by all personnel who will come into contact with it.

Komatsu has Service Manuals written in other languages. If a foreign language manual is required, contact your local distributor for availability.
